

APPLICATION PROCESS

Application task

The initial application task takes the form of a 90 second video. The task involves answering two questions.

Questions

Part 1: How do you see a circular economy shape the future?

Part 2:

What aspect of the circular economy intrigues you the most, and why?

Or

How do you feel you can contribute in the transition to a circular economy?

Criteria for your video

- Your video must be no longer than 90 seconds
- Your video must be in English
- Your video must include a front cover frame, clearly showing your name
- Each part should be dealt with separately and there should be a clear and obvious delineation between your response to each

How to submit your application

All applications are submitted online:

- Upload your video to YouTube* and change privacy settings to 'unlisted'.
- Complete the online application form - this includes:
 - Personal information (such as name, address, CV)
 - The link to your video
 - A personal statement

Please choose the appropriate form:

[Application Form for Postgraduate Students](#)

[Application Form for Young Professionals](#)

*For participants in China without access to VPN and thus unable to upload their content to YouTube, please use Youku (<http://www.youku.com/>) instead and add the link to the application form. If none of those video channels are available in your country, please contact us at ceprogramme@ellenmacarthurfoundation.org
